UI/UX & MOTION GRAPHIC DESIGNER • ASSISTANT MANAGER

+91 70974 83082
frankrahul297@gmail.com
Hyderabad, India

PROFESSIONAL SUMMARY

Creative and multi-disciplinary UI/UX & Motion Graphic Designer and Assistant Manager embedded within high-performing digital marketing teams. Over three years of expertise driving user-centered visual strategies, digital campaigns, and responsive interfaces. Adept at bridging the gap between growth marketing and product design, translating complex marketing metrics into high-converting user flows, minimal web layouts, and interactive ad creatives. Strong team leader skilled at collaborating with growth marketers, content teams, and web developers to scale consistent, brand-aligned visual assets under fast-paced timelines.

PROFESSIONAL EXPERIENCE

UI/UX & Motion Graphic Designer - Assistant Manager (Digital Marketing) Jul 2023 - Present

eYantra Industries Pvt Ltd | Hyderabad, India

- **Digital Campaign Strategy & UI/UX:** Architect conversion-focused user interfaces, interactive landing pages, and intuitive user flows designed explicitly to elevate digital marketing acquisition strategies and social media funnel efficiency.
- **Marketing Motion Graphics:** Conceptualize and execute premium motion graphics, high-impact video ad creatives, and smooth micro-animations for multi-platform marketing channels to maximize audience engagement.
- **Cross-Functional Growth Alignment:** Collaborate from the ground up with growth marketing specialists, copywriters, and performance marketers to deliver minimal, high-performing visual content optimized for digital distribution.
- **Brand Lifecycle & Leadership:** Manage end-to-end design lifecycles, ensuring a sophisticated corporate brand aesthetic while overseeing multiple concurrent marketing design deliverables under tight sprint schedules.
